GENERAL PRESENTATION

LOCATION CONDITION TYPE

Well maintained, Restored or Renovated

LOCATION HISTORY

Nestled in the verdant valley of the Boême in the south Charente countryside, the water mill Nanteuillet dates from the seventeenth century (1643). In 1910, the mill was converted into a country house following the aesthetics of the current Art Deco . In 1927, the garden surrounding the house is also changed.

CONSTRUCTION PERIOD

1911-1920, XVIIIth Century

DOMINANT STYLE

Traditional regional architecture
