LOCATION TYPE

CATEGORIES

Quarry Desert Dune Cliff Natural site

ENVIRONMENT

Roadside, Countryside, Forest, Village

GENERAL PRESENTATION

Shoot your Western in the South of France...

Just like Roussillon, Rustrel's Colorado was born from the industrial exploitation of natural ochre.

Former quarries created a unique landscape of dunes, cliffs and chimneys of blazing colors.

Rustrel's Colorado is ideal if you're shooting in Europe but your scenario requires an American, African, or even extraterrestrial desert!

LOCATION CONDITION TYPE

Well maintained

MATERIALS

Freestone - Limestone - Chalk, Rock, Sand, Soil
