## GENERAL PRESENTATION

Arenberg Creative Mine is a center of excellence in image and digital media. This old mining site, emblem of the mineal field (UNESCO since 2012), was the object of an important reconversion. It proposes complete equipments as the "Halle d'essai" about 460m<sup>2</sup> equipped with a green bottom and with a system of motion control Modula Rig, or still the TV studio set about 120 m<sup>2</sup> equipped with a 3 faces cyclorama and a system of motion captures Vicon.
