LOCATION HISTORY

The city of Les Mureaux wished to undertake a restructuring of the multimedia library. Built in 1987, the building has originally been created at the beginning to house several cultural equipments, such as an auditorium or a space for associations. But, in the 3,000 m² building, only the media library has taken place.

The realization of a cultural program led to a redevelopment of the premises and the opening of a new multimedia library in September 2009.
