House

ENVIRONMENT

Countryside, Riverside, Village

GENERAL PRESENTATION

8-bedroom mansion house in the charming French town of Saint-Jean-d'Angely. Boasting grand proportions with high ceilings and original features including a grand curved staircase that stretches to the 2nd floor, hardwood floors and some rooms that have not been touched since the 70s with retro wallpaper. The house benefits from a large garden, including outhouse, orchard and tropical garden with bridge and stream, along with a separate garage and huge attic space and cellar.
