Chalet House Villa

ENVIRONMENT

Countryside, Forest, Mountain, Park or garden, Lake or swamp, Village

GENERAL PRESENTATION

In one of the most beautiful villages on the shores of Lake Annecy, our house is located in the hamlet at the foot of the thousand-year-old castle of Menthon Saint-Bernard. Meadows and vineyards nearby.

An architect's timber-framed house, its large and numerous bay windows overlook the forest, the mountains and a view of Lake Annecy.
