GENERAL PRESENTATION

A fully modular and customizable airplane location

The aircraft location of the Grand Set has been designed to offer a maximum of configurations.

- The location is made up of a set of elements such as galley, crewrest, toilet and cabin.
- For even more possibilities, hat racks and ceilings are removable.
- The seats can be arranged in an eco or business configuration, in one or more rows (up to 12 rows).
- The cabin can be divided into 1 or 2 lanes.
- The modularity of the elements is total: armchairs and roof can be removed for extraordinary shots.
- Our decorator works with your teams to customize and accessorize the decor according to your scenario.
- Our team delivers ready-to-use decor to you.
