GENERAL PRESENTATION

In the heart of the seaside resort of Chatelaillon-Plage, at the gates of La Rochelle, the Grande Terrasse Hotels & Spas - MGallery Hotel Collection opens its doors to you in a refined and hushed atmosphere reminiscent of a vacation home. After a total renovation, the Grande Terrasse asserts itself in a timeless, chic and delicate style.

With 72 rooms and suites, a panoramic terrace bathed in natural light, a Nuxe spa and a three-hectare natural park, the hotel offers a haven of absolute tranquility. Your taste buds will also be honored by the GAYA restaurant, featuring the seaside cuisine of Michelin-starred chef Pierre Gagnaire, with the rhythm of the Atlantic coast's fish markets. Between the ocean and the natural environment, this new exceptional place promises an inimitable experience, marked by luxury and softness.
