GENERAL PRESENTATION

The Grasse studio has been the main set for the french TV series "Section de Recherches" and is equipped with ready-to-shoot sets : hospital (room, corridors, waiting room), police station and forensic department (two cells, interrogation room, reception, laboratory, offices, archive room). Installed in a former high school, the studio offers work spaces for productions (offices, meeting rooms, storage, dressing rooms, decoration workshops, ...) for a total surface of 2000m².

LOCATION CONDITION TYPE

Well maintained
