## GENERAL PRESENTATION

The City of Art and History label was awarded to the City of Saint-Laurent du Maroni on December 26, 2005 by the Minister of Culture and Communication. The cultural project "Cities and Countries of Art and History" combines in its approach all the elements: natural and landscape heritage, architectural, urban and furniture, technical and ethnological heritage, which contribute to the identity of the designated territory. Thus Saint-Laurent could welcome numerous historical shootings.
