GENERAL PRESENTATION

The Lycée des Métiers Le Garros welcomes nearly 1000 students:

- 500 for the General and Technological Track.
- 350 for the Professional Education Section.
- 150 students in BTS.

Located 3 km from the city center of Auch, it benefits from a pleasant living environment on a surface of 6ha.

In 1967, the General and Technological High School and the Vocational High School "Le Garros" were opened.

It became the "Lycée des Métiers de la Production, du Génie-civil et du laboratoire Le Garros" in 2003.

The workshops are available for several courses of study:

Wood Construction Technician / Technician in the Installation of Energy and Climate Systems / Carpenter and Fitter Technician / Building Work: Metalwork / Building Design Technician: Studies and Economics / Interventions on Built Heritage / Maintenance of Materials option public works.
Building / Metal architecture / Building envelope / Wood and housing construction systems.
