## GENERAL PRESENTATION

This guest house is located in a small Normandy village, in a quiet area on the banks of the Eure.

This 8-hectare property includes the owners' main house, the farmhouse and two outbuildings - the barn and the cottage - where part of the guest rooms are located.

Calmness guaranteed in the middle of the 8 hectares where animals roam freely: mares, donkeys, ducks, geese, dogs and cats...

Behind the houses, there is enough space for a walk that will lead you to a lake on the banks of the Eure where, when the weather is warm, it is possible to swim.

An outdoor swimming pool is heated in season.

The farmhouse has a dining room with a bar area and a fireplace, a living room with a fireplace, a large old kitchen and 3 bedrooms. It also has a large terrace overlooking the garden, complete with metal chairs and tables and a parasol. The outdoor swimming pool, heated in season and equipped with deckchairs, is right next to the house.

Chambre Bleue (for people with reduced mobility):

Located on the ground floor of the farmhouse, this very bright room in shades of blue has a bathroom with a large walk-in shower. Private access. Tv, bed 160.

Facing south, it is very bright and overlooks the walnut and fruit trees along the old stone walls of the property.
