GENERAL PRESENTATION

Perched high between the sky and the sea in the commune of Théoule-sur-Mer, Villa Saint Camille stands at the foot of the Estérel and offers a panoramic view of the Bay of Cannes and the Lérins Islands. Benefiting from an exceptional location, the landscapes bring peace and serenity.

In the heart of its 3 hectares, the Villa also offers the possibility to enjoy its outdoor swimming pool and solarium.

Villa Saint Camille offers simple and comfortable accommodation in rooms or flats (38 rooms) with a balcony and a breathtaking view of the sea. These spaces can easily be adapted and set up as dressing rooms for actors.

The hotel also offers large spaces that can accommodate from 10 to 200 people for various events such as seminars, congresses, weddings, christenings and birthdays.

A self-service restaurant (which can also serve as a canteen for the technical teams) and a bar are available with access to the panoramic terrace.
